

COMPLETE FOUNDATION OF STOCK MARKET

*"There is a lot of content available to learn,
but actually, there is less content which can
empower your knowledge as an investor.
You know everything, but yet very little"
- Sagar Dodeja, TedX Talk, Indore*

BE FINANCIALLY FREE WITH THIS PRACTICAL LIVE COURSE

For students, homemakers & professionals who
thought stock market was tough, saw some
videos, but never had the conceptual
& analytical understanding in a simple manner.

NEVER HAD ANY FINANCIAL TRAINING?

DON'T WORRY!

This course is designed first time in India with an affordable cost which will-

1. Help you gain practical skills on investment.
2. Stop the habit of gambling by giving you power to think the unthinkable!
3. Help you understand mistakes with the help of Case Studies.
4. Help you plan your short and long term Financial goals.
5. Also save your lot of money as such courses start at 14000 in the market (check anywhere, open challenge)

WHY MAKES ME ELIGIBLE TO TEACH?

1. I have been an investor since 16 years of age as my mother and father, both are leading financial and insurance consultants of Chattisgarh. So, I got an early exposure.
2. I get a stable sum of money from the investments I have made till date & I want you to have the same peace of mind. Yes! Peace of India is awesome
3. Teaching is an art and I have polished it with past 7+ years of experience in the field of CSE, ESE and GATE Coaching.

**IN SHORT, YOU JUST HAVE TO RELAX &
HAVE A SPIRIT OF LEARNING**
